

Dear Members,

## **THE IIA CIA CHALLENGE EXAM**

The IIA has partnered with ACCA to develop the Certified Internal Auditor Challenge Exam, a special arrangement for current ACCA members ONLY. This exclusive opportunity will enable ACCA members to obtain the CIA through a customised exam, which will include key syllabus and learning outcomes of the CIA exam.

This is not the first time The IIA has undertaken such an initiative with the ACCA. A CIA challenge exam was offered to ACCA members in November 2007 and 2015, resulting in more than 2,300 certification candidates.

The challenge exam is a customized test that includes questions from all 3 papers of the CIA exam. It is a ONE part exam consisting of 125 questions. Candidates will have 2 hours and 30 minutes to complete the exam. Upon registering, candidate will receive a customised electronic version of The IIA's ACCA Challenge Exam Study Guide in a downloadable e-book format.

Registration for the Challenge Exam is now open and will close on 31 August 2018. All registrations will be managed through the Certification Candidate Management System (CCMS) and exam will be offered ONLY during the month of October 2018.

Further information on the Challenge Exam can be obtained from the following link:
